I. Introduction:

Our Ritham Trust has completed 19 years successfully and stepping towards 20th year. Every year our student's excellence in academic, sports, co-curricular activities, inclusions in the normal schools and join the jobs. We proudly submit our trust's 19th year achievements.

1. Origin:

The Founder Mr. P. S. Kathiresan is a retired headmaster from Tamilnadu govt. service and was awarded 'Best Teacher' by both the Central Government and Tamilnadu state government has started 'Ritham Special School' with his son Mr. K. Venkataramanan's best effort.

He is basically a physiotherapist. Daily he used to see the mentally/physically challenged kids and the mental agony and the hardship the parents of such children face. He also comes across the practical difficulties and inferiority complex of these children. In 2004 he came across P. David Samraj a MR+CP kid. The kid is really good in memorizing subject but not able to relate words and read it. He looked his positive ability and wants to train him. But where and how? This question made him to open **Ritham Special School**. Ritham started with 4 kids in 2004. Now in the year of 2022-23 more than Seventy seven students are benefitting. He is willing to educate as many children as he can.

Begun as a Special School only, now it is growing with Early Intervention centre, Vocational Training centre, Sheltered Workshop, Learning Centre, Autism Treatment Centre and Outpatient Department centre.

We are travelling towards the effective special education available to the rural, poor and underprivileged special students as like as the urban area special students for the past 19 years continuously.

2. Our Mission And Vision:

The main and primary object of the Trust shall be to develop confidence in the minds of all type of physically and mentally challenged children and motivating them to face the daily activities without others help. The above said object shall applicable to all students irrespective of Caste, Creed, Color, Language, Sex and Religion.

3. Our Objectives:

a) To offer rehabilitation to physically and mentally challenged persons and to provide medical and other health facilities to all type of physically and mentally challenged poor, underprivileged and rural children.

b) Giving them vocational training to earn and lead a decent life. Providing them vocational training to lead life of equality and with dignity in the society they live.

c) We provide counseling to the parents about the problems faced by their physically and mentally challenged child and the need of rehabilitation to lead a life of equality in the society.

d) To create awareness among the members of the society about the formidable challenges faced by the physically and mentally challenged and to encourage their participation in all fields.

e) Educating parents about teaching the household chores and daily activities which would help the physically and mentally challenged to lead an independent life.

f) Teaching the members of society about the measures to prevent Disability in near future.

g) Making the physically and mentally challenged & their family members to know about the Government's welfare and assistance.

h) To identify and diagnose at the very beginning of the problems, take steps to give complete rehabilitation and.

i) To develop the Rehabilitation centre working as a day care centre at present to a fully-fledged residential home in future.

j) To increase the education level of all kind of physically and mentally challenged children using the Teaching & Learning materials [TLM] specially designed for them [Special Education].

k) Our foremost objective is to give 'Inclusive Education' to the improved & better learned children in our school.

l) Find out the mild mentally challenged children and give training and encourage to write the State Government ESLC and SSLC examinations.

m) We are forming the Sheltered workshop for above 18 years Moderate Mentally Physically Challenged children and do the vocation under a supervisor.
